

A black and white photograph of a Christmas tree. A large, shiny silver ornament is the central focus, surrounded by pine needles and other smaller ornaments. The background is softly blurred, showing more of the tree and lights.

Thanks for Coming!

We hope our music puts a song in your heart that fills you with Christmas spirit. We wish you all a very Merry Christmas and a Happy New Year!

Silver Bells

White Christmas

City sidewalks, busy sidewalks.

Dressed in holiday style

In the air there's a feeling
of Christmas

Children laughing, People passing

Meeting smile after smile

and on every street corner you'll hear

[Chorus] Silver bells, silver bells
It's Christmas time in the city
Ring-a-ling, hear them sing
Soon it will be Christmas day

Strings of street lights, even stop lights

Blink a bright red and green

As the shoppers rush
home with their treasures

Hear the snow crunch

See the kids bunch

This is Santa's big scene

And above all this bustle

You'll hear

I'm dreaming of a white Christmas

Just like the ones I used to know

Where the treetops glisten,
and children listen

To hear sleigh bells in the snow

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white

I'm dreaming of a white Christmas
With every Christmas card I write
May your days be merry and bright
And may all your Christmases be white
